Palms rise to the universe
As we moonshine and molly
Feel the warmth, we'll never die
We're like diamonds in the sky

You're a shooting star I see
A vision of ecstasy
When you hold me, I'm alive
We're like diamonds in the sky

At first sight I felt the energy of sun rays
I saw the life inside your eyes

So shine bright tonight, you and I
We're beautiful like diamonds in the sky
Eye to eye, so alive
We're beautiful like diamonds in the sky

Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
We're beautiful like diamonds in the sky

Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
We're beautiful like diamonds in the sky

Shine bright like a diamond
