

# I KNOW

Irma

CAPO II

## Couplet : Arpèges de l'intro

I'd like to tell you just a word  
I am so sorry to disturb  
You may be thinking i'm a fool  
I heard you tell him you don't care  
I heard you thinking loud and clear  
Doesn't make me proud of you

I know your time it's precious  
But give me just a second  
I need to straighten things out with you  
You put my hope and dreams away  
And there is not a single day  
I don't fear the words because of you
