## CAPO 5

F  
When tomorrow comes  
G  
I'll be on my own  
Feeling frightened up  
C  
The things that I don't know  
F  
When tomorrow comes, Tomorrow comes  
Tomorrow comes  
F  
And though the road is long  
G  
I look up to the sky  
C  
In the dark I found, I stop and I won't fly  
F  
And I sing along, I sing along, then I sing along

## Refrain

C G  
I got all I need when I got you and I  
Am  
I look around me, and see sweet life  
F  
I'm stuck in the dark but you're my flashlight  
C  
You're gettin' me, gettin' me through the night  
G  
Can't stop my heart when you shinin' in my eyes  
Am  
Can't lie, it's a sweet life  
F  
I'm stuck in the dark but you're my flashlight  
C  
You're gettin' me, gettin' me through the night  
G  
Cause you're my flash light  
Am F  
You're my flash light, you're my flash light

I see the shadows long beneath the mountain top  
I'm not the afraid when the rain won't stop  
Cause you light the way  
You light the way, you light the way

I got all I need when I got you and I  
I look around me, and see sweet life  
I'm stuck in the dark but you're my flashlight  
You're gettin' me, gettin' me through the night  
Can't stop my heart when you shinin' in my eyes  
Can't lie, it's a sweet life  
I'm stuck in the dark but you're my flashlight  
You're gettin' me, gettin' me through the night

## Pont :

Am G F  
Light, light, light, you're my flash light, light, light,  
you're my flash-  
Am G F  
Light, light, light, you're my flash light, light, light.

I got all I need when I got you and I  
I look around me, and see sweet life  
I'm stuck in the dark but you're my flashlight  
You're gettin' me, gettin' me through the night  
Can't stop my heart when you shinin' in my eyes  
Can't lie, it's a sweet life  
I'm stuck in the dark but you're my flashlight  
You're gettin' me, gettin' me through the night  
Cause you're my flash light  
You're my flash light, you're my flash light
