**Intro:** E E F# G#m

E  
You got a face not spoiled by beauty  
F# G#m  
I have some scars from where I've been  
E  
You've got eyes that can see right through me  
F# G#m  
You're not afraid of anything they've seen  
E F# G#m  
I was told that I would feel nothing the first time  
E F# G#m  
I don't know how these cuts heal But in you I found a rhyme

**Refrain**

E B  
If there is a light You can't always see  
F# G#m  
And there is a world We can't always be  
E B  
If there is a dark Now we shouldn't doubt  
F# G#m  
And there is a light Don't let it go out  
E B F# G#m  
And this is a song A song for someone  
E B F# G#m  
This is a song A song for someone

You let me into a conversation  
A conversation only we could make  
You break and enter my imagination  
Whatever's in there  
It's yours to take  
I was told I'd feel nothing the first time  
You were slow to heal  
But this could be the night

**Refrain**

If there is a light You can't always see  
And there is a world We can't always be  
If there is a dark Within and without  
And there is a light Don't let it go out  
And this is a song A song for someone  
This is a song This is a song for someone
