I've never yearned for anybody's fortune

The less I have the more I am a happy man

Now my mother told me always keep your head on

Because some may praise you just to get what they want

And I said mama I am not afraid

They will take what they will take

And what would life be like without a few mistakes

Like a hobo from a broken home

Nothing's gonna stop me

Like a hobo from a broken home

Nothing's gonna stop me
