

# THE SCIENTIST - Coldplay

Am FM7 C Csus2 C/B  
Come up to meet you, tell you I'm sorry, you don't know how lovely you are  
Am FM7 C Csus2 C/B  
I had to find you, tell you I need you, tell you I'll set you apart  
Am FM7 C Csus2 C/B  
Tell me your secrets and nurse me your questions, oh lets go back to the start  
Am FM7 C Csus2 C/B  
Running in circles, coming up tails, heads only science apart

## Refrain

F  
Nobody said it was easy  
C  
t's such a shame for us to part  
F  
Nobody said it was be easy  
C G G7  
None ever said it would be this hard

Oh, take me back to the start

C - F - C - Csus2 / CB

Am FM7 C Csus2 C/B  
I was just guessing at numbers and figures, pulling the puzzles apart  
Am FM7 C Csus2 C/B  
Questions of science, science and progress, do not speak as loud as my heart  
Am FM7 C Csus2 C/B  
Tell me you love me, come back and haunt me, oh what a rush to the start  
Am FM7 C Csus2 C/B  
Running in circles, chasing our tails, coming back as we are

F  
Nobody said it was easy  
C  
t's such a shame for us to part  
F  
Nobody said it was be easy  
C G G7  
None ever said it would be this hard

Oh, take me back to the start

C - F - C - Csus2 / CB
